2025 Entry forms may be reproduced from online; do not change the format.

- Please indicate any entries, which are second solos.
- Indicate, "must have" for entrants that must be on a certain day.

Solo Entries should have only one instrument per sheet (such as all piano on one sheet, even if you only have one entrant for that instrument).

- Contestants' names should be listed first name, last name. Shorten titles if they are too long for the line provided.

Duet and ensemble entries including orchestras:

- List the class by **ONE** letter just as you do for solos (G, F,E, etc.)
- In ensembles and orchestras (9 or more members), determine the class according to the majority of member classification if they are doing solos, and according to the level of literature being played.
- Use last names of contestants for duet (Jones and Moore, etc.). Ensembles and Orchestras may use traditional group names.

Schedules will be emailed by June 30th. NO SCHEDULE CHANGES WILL BE MADE AFTER JULY 14th.

Please return the bottom portion of this sheet with your entries, postmarked by May 30, 2025.
