

Send this Studio Entry Recap Form with your entries...

On entry forms: Complete all entry information to avoid the \$10.00 penalty for late additions/corrections. DO NOT send names of pieces, etc., at a later time without including \$10.00 per corrected entry.

Only printed entries - no emailed entries please. Review all guidelines in Rules & Regulations.

Entry forms may be reproduced; do not change the format.

- Please indicate any entries which are second solos.
- Indicate "must have" for entrants that must be on a certain day.

Entrants using accompanist: please include accompanist name on the entry form.

Solo Entries should have only one instrument per sheet (such as all piano on one sheet, even if you only have one entrant for that particular instrument).

- Contestants' names should be listed first name, last name. Shorten titles if they are too long for the line provided.

Duet and ensemble entries including orchestras:

- List the class by **ONE** letter just as you do for solos (G,F,E, etc.) in ascending order.
- In ensembles and orchestras (9 or more members), determine the class according to the majority of member classification if they are doing solos, and according to the level of literature being played.
- Use last names of contestants for duet (Jones and Moore, etc.). Ensembles and Orchestras may use traditional group names.

New this year (and as needed) - Facility fee of \$15 per student (not per entry, but student)

Schedules will be published by approximately June 30th.

NO SCHEDULE CHANGES WILL BE MADE AFTER JULY 21st.

Please return the bottom portion of this sheet with your entries, postmarked by May 26, 2017
